PREFACE

In this Catalog we have endeavored to show the most important articles of this line that we manufacture. We have moulds for many other shapes of tumblers and stemware so that we are in position to produce many items that we do not illustrate. Our price list covering this catalog, lists and partially describes all of the articles pertaining to this line that we can produce. If you are unable to select your requirements from this catalog write us of them as without doubt we can take care of your wants. *Practically all articles illustrated can be furnished in optic as well as plain.*
