INACTIVE LISTING

To further improve our service to our customers, we have inaugurated another CAMBRIDGE GLASS *first* by providing *inactive* listings. This means to you that you can assure your customers that they will *always* be able to obtain replacements for their fine CAMBRIDGE glassware patterns. In the regular course of business we shall accumulate your replacement orders over a period of time so that we may ship such orders at least twice a year. We shall be glad to quote you prices on inactive listings upon request. However, in view of the increased cost of producing small quantities of glass, you may reasonably expect prices of inactive patterns to run 20% to 25% higher than on similar active items. Please remember that *inactive* DOES NOT MEAN *discontinued*.
